LEADERSHIP REFRESHER

Overview

In today's business arena, challenges can arise at any time, and to be an effective leader you need to be able to respond to those challenges with intelligence, strategy, and expertise. If you are having difficulty responding to unanticipated challenges, or if you are simply interested in improving your leadership skills, perhaps it is time to further develop your leadership skills and actions. As most experienced and successful leaders profess, leadership development is a lifelong learning process.

The purpose of this module is to refresh your leadership skills and hone your leadership actions so that you can be a more successful leader in your workplace. Specifically, you will learn how to influence people, grow other leaders, lead a team, understand your values, and go to the next level in your leadership journey.

Learners

This module is designed for anyone in a leadership role including a high-value team member, supervisor, manager, executive, or business owner. This module is also for those who wish to learn and understand more about what it means to be a leader so that they can be successful in the workplace.

The module may qualify for Continuing Education Units (CEU) for professional certifications depending on the professional association.

Authors

The author for this module is Peregrine Global Services headquartered in Gillette Wyoming. Peregrine Global Services through its Peregrine Leadership Institute division has been teaching leadership to small businesses, government agencies, higher education institutions, and nonprofit organizations since 2004.

The course includes materials from a variety of sources and relies heavily on experiences of the Institute's leadership facilitator.

Learning Outcomes

The learning outcomes for the module are as follows. With the completion of this module, learners should be able to:

1. Create a personal definition of leadership.
2. Apply the Start with Why concept to their organization.
3. Articulate the values and attributes of leadership.
4. Demonstrate the power of positive expectations.
5. Delegate to grow other leaders.
6. Perform ethical decision-making.
7. Become a multiplying leader.
8. Perform leadership communications in the workplace.
9. Appropriately give and receive feedback.
10. Develop and deliver a presentation.
11. Perform active listening.
12. Know the stages of team development and apply the right leadership approaches for each stage.
13. Lead a team through the five dysfunctions.
14. Apply the 6 C's of teamwork to their team.
15. Manage workplace conflict.
16. Lead others to overcome the resistance to change.
17. Lead change in the workplace.
18. Evaluate a workplace change initiative.
19. Lead in the workplace based on the 14 traits of great leaders.
20. Evaluate team planning.

21. Demonstrate a leadership commitment.
22. Evaluate a supervision case study.
23. Be an inspiring leader.
24. Develop and implement a personal leadership development plan.

Certificate Delivery

The course could be delivered using Peregrine’s Learning Management System (LMS) known as CMAD. Course instruction is with asynchronous online learning activities.

Assessment

Throughout the module, there are in-progress quizzes and short exercises to ensure understanding of the instructional content. A module completion certificate is issued when the learner obtains at least 80% on the final exam, which includes a question based on each learning outcome.

Hours and Articulation

Learner hours for the module are shown in the following table. The hours are based on both the time within the module and time away from the module conducting application activities.
